WHO WE ARE

EL PASO'S PREMIER ESPORTS ORGANIZATION

Damascus Gaming is dedicated to establishing a robust esports infrastructure for El Paso, focusing on both the professional and academic domains of the city.

Our approach involves recruiting top-tier players and content creators to enhance our outreach, fostering collaborations with reputable brands and enterprises to integrate seamlessly into the **DG** ecosystem. Consistently pushing technological boundaries to cultivate enduring communities.

Futhermore, **DG's** tournaments and productions will drive far above the industry standard, and our philanthropic events will make lasting improvements in our city.

THE LIFESTYLE

We come from different walks of life.

Forged together we are strong.

Through discipline and determination we are sharp.

We cut through every challenge.

We do not waver.

We do not break.

We are **DAMASCUS GAMING**

We Are Forged by Our Community

Damascus Gaming has over 15k members across our servers and social media.

It's not just about competitions, it's about improving people's lives in meaningful ways.

Every team member in **Damascus Gaming** is committed to this goal.

EDUCATION DOMAIN

Esports in education is growing at an exponential rate every year.

DG is committed to building an elite esports program for El Paso's education system.

We will provide opportunities for students in the esports industry through programs and events that offer exciting education and career options.
